

John Moran Trust Application Form

Dear Candidate,

Every year, we receive applications from far more candidates than we can interview. This means that the Trustees need to undertake a pre-interview process to select a shortlist of candidates. In order to facilitate this process, we need you to fill in the application form below as fully and as accurately as possible.

In your application form, we would like you to tell us about your issues, experiences, achievements, personal circumstances and aspirations.

In order to ensure a fair comparison between candidates, please keep to the following format and answer each question in your own way and as fully as you feel able. If you have any additional information that you wish to tell us about, please include this in the free format section at the end of the form.

Please note that the application forms of unsuccessful candidates will be destroyed once the interview process has been completed. This form will be used only by the Trustees of the John Moran Educational Trust and will not be passed on to any third parties.

Thank you for your co-operation.
